HARBOUR MASTERS NOTICE No. 01/2006

LOCAL NOTICE TO MARINERS

All Mariners are advised of the following:-

That on the 1st June or thereabouts a red can buoy will be placed in approx position 50°32.4North 003°29.4 West

By night the buoy will display Fl red every 2 seconds.

It is intended that the buoy be treated as a port hand buoy for entering the harbour however, due to the vagaries of the entrance channel extreme caution should be exercised at all times.
