HARBOUR MASTERS NOTICE No. 02/2006

LOCAL NOTICE TO MARINERS

To ALL small craft entering and leaving Teignmouth:

You are advised that Sand Eel Fishermen work the approaches to Teignmouth Harbour. You should be aware that they work in pairs with a net strung between them. Fishing signals will be displayed when they are operating.

DO NOT attempt to go between them, this is extremely dangerous.

Captain David P. Platt
Harbour Master
