

**PRESS RELEASE from the TEIGNMOUTH HARBOUR COMMISSION.**

Teignmouth Harbour Commission is delighted to announce the appointment of David Atkin as a commissioner. He will take up this role as from the first of January and replaces Mark Rowe who has recently been appointed to a senior management position within Sibelco (WBB).

David is currently port manager for both Teignmouth and Plymouth and brings with him thirty years experience of the industry which will strengthen the Commission in its navigational responsibility to maintain the long term commercial viability of the Port of Teignmouth.

Teignmouth Harbour Commission is the navigational authority for Teignmouth harbour and is responsible for applying the Port Marine Safety Code throughout the estuary.
