Teignmouth – Water Craft Operators Code of Conduct:

- All Water Craft (“WC”) must be registered before use in the Harbour.
- All WC users are to be aware of the weather and tidal conditions prevailing for the day, before launching.
- WC are only permitted to launch from Polly Steps and Gales Hill Slipways.
- Personal Water Craft (“PWC”) are prohibited in the River Teign except for passage to and from the sea between sunrise and sunset.
- WC’s must not exceed the speed limit of 6 knots, and must not make excessive wake or noise whilst making passage.
- WC users are required to follow the code of conduct laid down by user groups.
- Persons under the age of 16 will not be permitted to operate PWC within the Harbour.
- All WC users will adhere to Collision Regulations.
- All WC users will operate in a manner that respects other users of the estuary.
- All WC users must abide by all Harbour Directions and Teignbridge District Council Bylaws.

I agree to abide by the directions of the Harbour Master and comply with the Teignmouth Harbour and Teignbridge District Council Bylaws and Directions. I undertake to maintain adequate Public Liability Insurance cover for my WC whilst operating in the River Teign and open sea, this insurance will be valid for all operators of this Watercraft. This permit to operate is non transferable and is valid for the calendar year shown, current annual fee is £10 (inc VAT). I understand that failure to comply with the above directions will result in further action and could result in the withdrawal of my permit to operate within the Harbour. I hereby agree for the information given above to be used by both Teignmouth Harbour Commission and Teignbridge District Council.

I understand that from 1 January 2010 all PWC operators will be required to have completed a Certificate of Competency course and to produce the relevant certificate as proof if required to do so.
